

Landon McAfee, CPA

Quality Control Partner,
Assurance Services

ABOUT LANDON

Landon McAfee brings to bear more than two decades of experience in public accounting. His areas of specialty are manufacturing and distribution as well as construction, and he regularly partners with both privately-held and publicly-traded companies. As a partner with the firm, Landon directs all aspects of assurance and compliance engagements and works with members of management on complex strategies, including multi-level marketing and e-commerce, to help them achieve their goals. His background with compliance makes him the ideal resource to provide expert witness testimony.
